Safety clamps

SKU: 5561

Bolted safety clamps made of stainless steel for assembling of couplings with smooth or combi hose tail and safety collar

Material and colour

Main Material

· Stainless steel

Material

· Stainless steel (1.4408)

Durability and standards

Standards

· EN 14420-3

Description

Accessories

· Inklusive Edelstahl Inbusschrauben und Muttern

All information in this technical data sheet has been carefully checked; however, no warranty or liability can be accepted for the accuracy, completeness or up-to-dateness of the information provided. Positive pressure and vacuum are operating limit values at 20 °C. The bending radius is measured on the inside of the hose bend. Subject to technical changes.
