

Boss - High pressure steam hose couplings

SKU: 5411

Boss system: high pressure steam hose coupling, hose tail with safety collar and male thread.

Pressure and temperature

Max. temperature steam

- 210 °C

Material and color

Hauptmaterial

- Steel

Material

- Galvanized steel

Thread

Standard thread

- ANSI / ASME B 1.20.1/3

Compatibility

Type of assembly

- Steam installation

Boss - High pressure steam hose couplings

SKU: 5411

For hose internal diameter [mm]	Thread type	Outer thread [inch]	Weight [kg]	Article Number
19	NPT thread	3/4"	0.179	5411019000
