

# RoHS Directives – Compliance of Norres Baggerman Products

## Norres Baggerman provides information on the RoHS Directives (as of 02/04/2021)

EU Directive 2015/863/EU (RoHS 3) on the restriction of the use of certain hazardous substances in electrical and electronic equipment replaced the previous RoHS Directive on 07/22/2019. As a manufacturer of technical hoses and flexible hose system solutions, our products are subject to this directive only if they are used by the customer as components in electrical and electronic equipment.

Within the scope of the RoHS Directive, the European Parliament has established limit values for the following substances (maximum concentration by weight in homogeneous materials):

|                                         |        |
|-----------------------------------------|--------|
| • Lead (Pb)                             | 0.1 %  |
| • Mercury (Hg)                          | 0.1 %  |
| • Cadmium (Cd)                          | 0.01 % |
| • Hexavalent chromium (Cr+6)            | 0.1 %  |
| • Polybrominated biphenyls (PBB)        | 0.1 %  |
| • Polybrominated diphenyl ethers (PBDE) | 0.1 %  |
| • Bis(2-ethylhexyl) phthalate (DEHP)    | 0.1 %  |
| • Butyl benzyl phthalate (BBP)          | 0.1 %  |
| • Dibutyl phthalate (DBP)               | 0.1 %  |
| • Diisobutyl phthalate (DIBP)           | 0.1 %  |

We hereby confirm that, in the products mentioned, none of the substances listed above are intentionally used by Norres Baggerman as formulation components or processing aids in concentrations exceeding the applicable permitted limit values. Furthermore, at the time this document was prepared, we were not aware of any raw materials used in the manufacture of the products mentioned that contain these substances in concentrations exceeding the applicable permitted limit values.

Please note that Norres Baggerman has not conducted its own analyses in this regard. Our statements are based on information provided by our raw material suppliers.

This declaration applies to all Norres Baggerman products listed on our website.
